

# Spectrum PureGuard™ Water Bottle

## The Ultimate Survival Tool

Drink from ANY Freshwater source with this powerful ultra filtration straw

Clean water solutions  
for a more livable  
world

New Patented Technology:  
The only system of its kind,  
delivering safe drinking  
water instantly!

Whether you're travelling the world or just trying to survive a disaster, the Spectrum PureGuard™ Ultra Water Bottle and Straw provide clean, safe drinking water. With cutting edge & patented nanofiltration technology, our bottle does what no plastic, disposable water bottle can — make drinking water safe, cost-effective, and drinkable.
